On the Filing Receipt that we received for the referenced application today, the number of independent claims is still incorrect. The correct number of independent claims is "7" (Claims 1, 9, 13, 19, 28, 31 and 33) and the Filing Fee was calculated and paid corresponding to that number of independent claims. In addition, please correct the spelling of the word "Oculopharyngeal" in the title. A copy of the Filing Receipt, with the corrections written on it, is enclosed. Please issue a new Corrected Filing Receipt showing that these corrections have been made. Thank you.
